

A close-up photograph of a brown leather strap with a metal ring, resting on a dark, textured surface. The strap is made of smooth, light brown leather and is attached to a metal ring. The ring is made of a dark, possibly brass or steel, material and has the word "RITTER" engraved on it. The background is a dark, textured fabric with a fine, repeating pattern. The lighting is soft, highlighting the texture of the leather and the metal.
